Robert,

You should discuss this issue with AUSA Echenberg. Thanks.

Nik:

You wrote in your brief that the documents were subpoenaed. If you don't know who authorized them, then I would at least want to know who in the US Attorney's office would know the person who authorized the subpoenas of documents that fall within Mr. Ceglia's exclusive privilege.

I want to know who was involved in that process and if you do not know please tell me who I should speak to that could answer my question.

Thank you

Robert

Hello Robert,

I was not involved in that process and do not know that information. It is also not clear to me that Mr. Ceglia would be entitled to that information even if I did know it.

Best,

Nik

Good afternoon Nik

Can you please identify who within the Department of Justice authorized the issuance of subpoenas to Mr. Ceglia's former attorneys, DLA Piper and Kasowitz Benson?

Thank you.

Robert
